LAFAYETTE BROCK DIES AT AGE OF 74

Had Been Resident of Vernon County Thirty Years—Veteran Of Gettysburg.

Lafayette Brock, 74 years old, a Union veteran of the Civil War, died Sunday afternoon at his home at 624 West Walnut Street after a few days illness of paralysis. The funeral will be held at 10 o'clock Tuesday morning at the home. Burial will be made in Newton Burial Park.

Mr. Brock had been a resident of Vernon County for thirty years. He was born in Floyd County, Indiana. Had he lived until November 22 he would have been 74 years old. In 1861, at the age of 19, Mr. Brock enlisted in Company "B," Forty-fifth Infantry. He served in the Union army for three years and then received an honorable discharge. He was a veteran of the Battle of Gettysburg. It was in this battle that he was wounded in the left ear and his hearing was almost entirely destroyed.

Thirty years ago he moved to Vernon and purchased a farm southwest of Nevada. He resided on this place for 26 years. Six years ago he moved to Nevada and purchased the home where he died.

On October 22 Mr. and Mrs. Brock celebrated their fiftieth wedding anniversary. At this time Mr. Brock wasn't feeling well but a few days later was improved. Friday he was able to be down town. However, Friday night he became ill again and from that time his condition grew worse until Sunday morning, when his children were summoned. His death occurred at 4 o'clock Sunday afternoon.

A wife and ten children survive Mr. Brock. The children are Mrs. Anna Emery, Moundville; Mrs. Polly Emery, Nevada; Mrs. Beckey Burket, LaHarpe, Kas.; H. H. Brock of LaHarpe; M. M. Brock, LaHarpe; Mrs. Lula Williams, LaHarpe; Mrs. Ida Sterling, Bridger, Mont.; D. T. Brock, Moundville; Leonard Brock, Nevada; Mrs. Emma Raschke, Nevada. Telephone 25,000 People at One Time Cheaply!

A telephone is a great convenience. You pay $2.00 a month willingly to have facilities to talk to a few people each day. A newspaper of country-wide circulation is a similarly convenient facility.

The Register, with its 25,000 circulation, goes on every rural route and into every city, town and community in Allen county. Its 25,000 readers comprise a vast army of intelligent, well-to-do, enterprising citizens.

For a Cent a Word, you can talk to every one of the 25,000 with only the loss of time needful in which to write out what you have to say.

If you tried to "ring up" each one on the 'phone, got connected in one minute and worked steadily eight hours a day, it would take you just two weeks to tell them all.

Telephone Number 18 and let us do the rest for you.

They will be made out in triplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, one to accompany the accounts of the officer who pays bounty, &c., and one for the Adjutant General of the State. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Funeral set for C. M. Brock

Services for Clair M. Brock, 62, former composing room superintendent for the Journal-Tribune, who died in his sleep at his home in Garland, Tx. early Saturday morning, will be at 10 a.m. at Williams Funeral Home there.

Mr. Brock, a longtime Blackwell resident before leaving here in the mid-1950's to become associated with Phil McMullen on the Guthrie Daily Leader, attended Blackwell schools and was a composing room apprentice with the Blackwell Morning Tribune before becoming associated with the Blackwell Journal about 1935.

He moved to Garland when McMullen, now retired in Denver, bought the Garland Daily News. After McMullen sold the News, Brock remained there for a time and then became a consultant for the West Texas News, also in Garland, before retiring about a year ago. He had not been in the best of health since that time, but death was unexpected.

He is survived by a daughter, Mrs. Danny (Beth) Engleman of Irving, Tx.; a son, Steve of Garland; two sisters, Mrs. Ed Walcher, 107 West Coolidge, and Mrs. Joe (Lois) Muir of Oklahoma City, and a brother-in-law and a sister-in-law, Mr. and Mrs. Howard Metzer of 321 Fairview.

His wife, Elizabeth, preceded him in death about three years ago.

IMPORTANT GUIDELINES TO FOLLOW WHEN WRITING FOR VITAL RECORDS AND DOCUMENTS

Please remember, **following these guidelines can greatly assist you in your search for records!**

✔ Make your letters concise and to the point. Do NOT include more than one or two requests at once, and be careful not to write confusing details of your family lines.

✔ Provide complete information on an individual and event for which you need documents. Include all names that may have been used, including nicknames, alternate spellings, etc. List dates and type of event as completely and accurately as possible. If you don't know the exact date, specify the span of years you wish searched and be prepared to pay for searches that span several years.

✔ Patience pays! Unless you already know the # of pages in a deed, or the exact cost of a document, **don't send a specific amount of money** in cash or a check. It **is** appropriate to send a signed, BLANK check, however, with a notation written, (preferably in red ink), UNDER the "$_____" line of the check which states, **"Not to exceed $5.00"**, or any amount you wish to specify. If you don't care to do that, you will need to make your first letter a statement of what records you need and a request for them to send you a statement of charges. You can then send a check for the exact amount in a second letter.

✔ Always provide an S.A.S.E., (**S**elf **A**ddressed **S**tamped **E**nvelope).

✔ County offices have limited personnel and are often swamped with paper work. Genealogical queries are done as a service which is outside of their realm of responsibility. They ask therefore that you exercise patience and courtesy in your transactions with their offices.

✔ When you write for a **birth** certificate be sure and include following information:

- date of request
- full name of person *(last name in caps)*
- date of birth
- place of birth
- mother's maiden name
- father's name
- relationship to party
- the reason the record is needed

PLEASE NOTE: The Ind. census index lists the township by the first two letters only. It lists the county by the first four letters only. The counties of Warren and Warrick are listed the same and only by looking at the census record would you be able to tell which county it is.
You can determine the county name by looking at any map of Indiana, but the township name would have be looked up on the census record.
